

**REMARKS**

This case has been carefully reviewed and analyzed in view of the Official Action dated 16 December 2005. Responsive to the objection made in the Official Action, a corrected formal drawing of FIG. 1 is submitted herewith.

In the Official Action, the Examiner objected to the drawings due to an informality therein. The Examiner stated that Fig. 1 should include the label "Prior Art." Accordingly, a replacement drawing including the label --Prior Art-- is included herewith.

It is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectfully requested.

Respectfully submitted,
